## Hallmark Achievements - November 2020

### Texas Education Agency v. C.B.

TEA accused C.B. accused of striking a student. The child had a history of behavioral issues that the parents and school district were aware of. C.B. hired Bertolino to represent her at an informal settlement conference resulting

in a reprimand and an Order to complete ethics training.

**Texas Department of Insurance v. A.T.**

A.T. was accused of unethical conduct and dishonesty. When A.T. applied to renew her license with TDI, the department denied her application and opened a formal investigation. A.T hired Bertolino to respond to the investigation and reinstate her license. After Bertolino responded to the Department's notice of investigation, TDI closed the investigation and gave A.T. her license.
